WC Docket No. 10-_____

Attention: International Bureau and Wireline Competition Bureau

**COMBINED/JOINT INTERNATIONAL AND DOMESTIC
APPLICATION FOR
TRANSFER OF CONTROL**

Pursuant to section 214 of the Communications Act of 1934, as amended (the "Act"), and
sections 63.04 and 63.24 of the Commission's rules, this Application seeks Commission
approval to transfer control of Tri-M Communications, Inc. d/b/a TMC Communications

("TMC") from the Estate of John Marsch ("Marsch Estate"), comprised of Michelle Cutlip, an individual ("MC"), and Michael E. Pfan, Trustee of the Melissa Marsch-Baker Trust U/D/T ("Trust") (Trust, together with MC, are hereinafter referred to as "Stockholders") to SLINX Enterprises, Inc ("SLINX") (the "Acquisition"). On July 6, 2010, TMC and its Stockholders entered into a Stock Purchase Agreement with SLINX. TMC holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act.¹ The Agreement provides that SLINX will purchase all of the issued and outstanding common stock of TMC from the Stockholders (the "Acquisition"). The Acquisition will therefore result in the change of ownership of TMC from Stockholders to SLINX, including control of TMC's section 214 authorities. A separate and simultaneous transfer of control application has been filed for the involuntary transfer of control of TMC's shares from the John Marsch Revocable Trust to the Estate of John Marsch. In addition, an application for Special Temporary Authority for the Marsch Estate was also filed concurrent with this filing.

TMC is a provider of interstate, international and intrastate interexchange telecommunications services. The customers of TMC will benefit from the resources and assets of SLINX, which will help ensure continuity of service and enhance the ability of TMC to offer a broader range of innovative products and services to customers. The Acquisition will therefore serve to enhance the overall capacity of TMC to compete in the marketplace and to provide telecommunications services for a greater number of consumers at competitive rates. Grant of this Application clearly will promote competition in the interstate and international long distance telecommunications markets and will serve the public interest.

¹ TMC holds domestic and international authority pursuant to section 214 of the Act. Authority was granted in File No. ITC-214-19981218-00897 on February 18, 1999..
